TM Rosé 2024, IGT Toscana

Tenuta Monteti, foundation year 1998

Contact: Eva Baratta, general manager and owner family member

First vintage: 2014

Blend: 70% Merlot, 20% Cabernet Franc, 10% Mourvèdre

Alc. Vol. : 13.5%

The harvest, manual and anticipated, began the 25th of August for the Merlot, to resume the 7th of September with the Cabernet Franc and conclude the following day with the Mourvèdre. The grapes were early hand harvested, from sunrise to noon. Hand sorted and softly pressed, were fermented into stainless steel vats at controlled low temperature to keep flavors and freshness. Cold tartaric stabilization before bottling.

Bottles produced of TM Rosé: 12.000

Main foreing markets: UK, Switzerland, Belgium, Germany, Austria, Netherlands, Norway, USA, Japan, South Korea

Other wines produced: Caburnio and Monteti, two IGT Toscana reds

Vineyard and soil: exposure south – south-westerly; altitude 140 mt; complex soil, stony structure on a substratum of clay; vine density: 6,600 plants per hectare.

Hectares planted with vines: 30

Varieties planted: Cabernet Sauvignon, Petit Verdot, Merlot, Alicante Bouschet, Cabernet Franc, Mourvèdre.

Total bottles produced per year: 130.000

📍 Strada della Sgrilla 6, 58011 Capalbio (Grosseto)

Soffio Rosato 2024, IGT Toscana

Azienda Agricola Bruni, foundation year 1997

Contact: Paola Bruni and Marco Bruni, owner family members

First vintage: 2008

Blend: 50% Syrah, 50% Alicante (Grenache)

Alc. Vol. : 12.5%

Manual harvest carried out at the end of August, the grapes are handled separately. Short cold maceration for 4/8 hours, fermentation in stainless steel tanks for about 15 days at controlled temperature and then on its lees before bottling.

Bottles produced of Soffio Rosato: 10.000

Other wines produced: Morellino di Scansano DOCG Classico and Riserva. Doc Maremma Toscana, Perlaia (Vermentino Superiore), Plinio (Vermentino), Oltreconfine (Alicante)

Soil: mixed soil, tending to clay

Hectares planted with vines: 50

Varieties cultivated: Sangiovese, Vermentino, Viognier, Syrah, Alicante (Grenache), Cabernet Sauvignon

Total bottles produced per year: 550.000

📍 Str. Vic.le Migliorina, 58015 Fonteblanda (Grosseto)

Corbizzo 2024, IGT Toscana

Muralia, foundation year 1997

Contact: Stefano Casali, owner family member

First vintage: 2012

Grape variety: 100% Syrah

Alc. Vol. : 12.5%

Manual harvest at mid September, from the vineyard "La Vigna di Augusto" red clay, rich in pebbles with a strong presence of iron. Destemming followed by gentle pressing, fermentation and aging in stainless steel tanks.

Bottles produced of Corbizzo: 3.000

Main foreign markets: USA, Netherlands

Other wines produced: DOC Maremma Toscana, IGT Toscana, Muralia (Syrah, Cabernet Sauvignon, Sangiovese), Altana (Sangiovese), Manolibera (Sangiovese, Cabernet Sauvignon, Merlot), Chiaraluna (Viognier)

Vineyard and soil: the vineyards are at different altitudes, the soil is various : limestone, clay and stony ground. Some of the highest vineyards extend along the slopes of Sassoforte, an ancient extinct volcano that has enriched the land with extraordinary mineral complexity.

Hectares planted with vines: 14

Varieties cultivated: Sangiovese, Syrah, Cabernet Sauvignon, Merlot, Viognier.

Total bottles produced per year: 34.000

📍 via del Sughereto, Il Poggiarello, 58036 Roccastrada (GR)

Rosato 2024, IGT Toscana

Cantina LaSelva, foundation year 1980

Contact: Pamela Stella, sales manager

First vintage: 2010

Grape variety: Sangiovese and Ciliegiolo

Alc. Vol. : 13%

Manual harvest in the first week of September. The grapes are processed separately, and are harvested early in order to obtain the right acidic balance. After static decanting, the must is fermented in stainless steel at a temperature of 16°C. Ageing on the lees for 6 months in steel tanks and refinement in the bottle for at least 1 months.

Bottles produced of Rosato: 11.000

Main foreign markets: USA, UK, Switzerland, Germany, Netherlands, Belgium, Germany, Austria.

Other wines produced: DOC Maremma Toscana, Morellino di Scansano DOCG Classico and Riserva, IGT Toscana.

Vineyard and soil: LaSelva vineyards cover more than 30 hectares of land and are divided into hillside plots that are at most 10 km apart. The soil is mainly clayey, making it rich in minerals and limestone.

Varieties cultivated: Vermentino, Ciliegiolo, Sangiovese, Merlot, Cabernet Sauvignon, Petit Verdot.

Total bottles produced per year: 220.000

📍 Zona Poderone 10/A, 58051 Magliano in Toscana (GR)

Maestrale 2024, DOC Maremma Toscana

Fattoria Mantellassi, foundation year 1960

Contact: Riccardo Pecchioli, sales manager

First vintage: 2013

Grape variety: Cilieggiolo

Alc. Vol. : 12.5%

The red grapes are vinified in white with a permanence on the skins for approximately 6 hours, followed by fermentation at a controlled temperature in steel tanks and refinement on their fine lees before bottling.

Bottles produced of Maestrale: 8.000

Main foreign markets: USA, UK, Netherlands

Other wines produced: DOC Maremma Toscana e Morellino DOCG, Mentore (Morellino di Scansano docg), Le Sentinelle (Morellino di Scansano Riserva docg), Il Canneto (Sangiovese), Lucumone (Vermentino), Vegola (Ansonica)

Vineyard and soil: the estate is distributed in the hilly area, in tuffaceous-limestone terrain, and benefits of sea breezes for its proximity to the sea.

Hectares planted with vines: 120

Varieties cultivated: Sangiovese, Alicante, Cabernet Sauvignon, Merlot, Canaiolo, Malvasia, Cilieggiolo, Vermentino, Sauvignon blanc.

Total bottles produced per year: 1.000.000

Staccione 2024, DOC Maremma Toscana

Tenuta Montauto, foundation year 1997

Contact: Riccardo Lepri, owner family member

First vintage: 2014

Grape variety: 100 % Sangiovese

Alc. Vol. : 12.5%

Grapes are carefully selected and hand-harvested into 18 kg crates. Harvesting takes place in mid-August, exclusively in the early morning hours to ensure the grapes arrive at the winery at low temperatures. This timely harvest is crucial for maintaining the wine's vibrant acidity and aromatic purity, ensuring a crisp and refreshing profile.

Bottles produced of Staccione: 6.000

Main foreign markets: USA, UK, Netherlands

Other wines produced: Enos I (Sauvignon blanc), Gessaia (Sauvignon blanc), Silio (Ciliegiolo), Vermentino (Vermentino), Poggio del Crine (Pinot noir), Poggio del Crine (Sauvignon blanc)

Vineyard and soil: the grapes come from 15-year-old vines, located 200 m above the sea, at 10 km from the coast and surrounded by Mediterranean scrub. The soils predominantly clayey is rich in quartz.

Hectares planted with vines: 14

Varieties cultivated: Sangiovese, Cilieggiolo, Pinot noir, Sauvignon blanc, Vermentino, Trebbiano.

Total bottles produced per year: 80.000
